

WILKERSON ROAD WIDENING
CITY OF JOHNSON, ARKANSAS
HWEI PROJECT NO. 2021110

ADDENDUM NO. 2
SEPTEMBER 29, 2023

The following items are issued to add to, to modify, and to clarify the Contract Documents. All items included in this Addendum shall be incorporated into the bid documents and specifications for the referenced project and shall supersede anything contained therein with which it may conflict. These items shall have full force and effect as the Contract Documents, and the cost involved shall be included in the bid prices. Bids, to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

I. BIDDING DOCUMENTS

A. Section 00410, Bid Form:

1. BID SCHEDULE – WILKERSON ROAD WIDENING (ARTICLE 5)

- a. A revised copy of SPECIFICATION SECTION 00410, BID FORM, is attached to this Addendum No. 2, **and should be used in preparation of bids and submitted to the Owner in accordance with the Detailed Specifications and Contract Documents.**

This Addendum No. 2 shall be considered as part of the Detailed Specifications, Bidding and Contract Documents as if originally bound with the documents, and all provisions of the documents shall apply to Addendum No. 2. Bidders must acknowledge receipt of this Addendum No. 2 on the Bid Form when submitting a bid for this project, and this Addendum No. 2 shall be attached to the bidder's proposal.

This Addendum No. 2 consists of 17 pages.

Addendum No. 2 is issued on behalf of the City of Johnson by:

Hawkins-Weir Engineers, Inc.

Blake A. Peacock, P.E.
September 29, 2023

SECTION 00410

BID FORM

PROJECT NAME: Wilkerson Road Widening
Johnson, Arkansas
HWEI Project No. 2021110

BID TO (OWNER): City of Johnson, Arkansas
2904 Main Drive
Johnson, Arkansas 72704

This Bid is Submitted by: _____
Bidder's Address: _____

ARTICLE 1. The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an agreement with Owner in the Form included in the Contract Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Bid price and within the Bid time indicated in this Bid and in accordance with the other terms and conditions of the Contract Documents.

ARTICLE 2. Bidder accepts all of the terms and conditions of the Invitation to Bid and Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 60 calendar days after the date of Bid opening. Bidder will sign and deliver the required number of counterparts of the Agreement with the Bonds and other documents required by the Bidding Requirements within 10 days after the date of Owner's Notice of Award.

ARTICLE 3. In submitting this Bid, Bidder represents, as more fully set forth in the Agreement, that:

3.01 Bidder has examined and carefully studied the Bidding Documents, and the following Addenda, receipt of all which is hereby acknowledged:

<u>Number</u>	<u>Date</u>
_____	_____
_____	_____
_____	_____
_____	_____

- 3.02 Bidder has examined the Drawings and Specifications and has visited the site and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance, and furnishing of the Work.
- 3.03 Bidder is familiar with and is satisfied as to all federal, state, and local Laws and Regulations that may affect cost, progress, performance, and furnishing of the Work.
- 3.04 Bidder is satisfied as to the availability of materials, labor and supplies for the furnishing of the Work. Furthermore, the Bidder affirms that the following bid price(s) shall include all labor, materials, overhead, profit, insurance, bonds, etc. to cover all expenses incurred in performing the Work required under the Contract Documents.
- 3.05 Bidder acknowledges that the unbalancing of Bid items may be considered to be non-responsive and cause for rejection. For changing quantities of work items from those indicated by the Contract Document, and upon written instruction from the Engineer, the unit prices as given in the Bid Form shall prevail.
- 3.06 Bidder has carefully studied all reports of explorations and tests of subsurface conditions at or contiguous to the site and all drawings of physical conditions in or relating to existing surface or subsurface structures at or contiguous to the site. Bidder acknowledges that such reports and drawings are not Contract Documents and may not be complete for Bidder's purposes. Bidder acknowledges that Owner and Engineer do not assume responsibility for the accuracy or completeness of information and data shown or indicated in the Bidding Documents with respect to underground facilities at or contiguous to the site. Bidder has obtained and carefully studied (or assumes responsibility for having done so) all such additional or supplementary examinations, investigations, explorations, tests, studies, and data concerning conditions (surface, subsurface, and underground facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance, or finishing of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder and safety precautions and programs incident thereto. Bidder does not consider that any additional examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance, and furnishing of the Work in accordance with the times, price and other terms and conditions of the Contract Documents.
- 3.07 Bidder has correlated the information known to Bidder, information and observations obtained from visits to the site, reports, and drawings identified in the Contract Documents, and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.
- 3.08 Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Contract Documents and the written resolution thereof by Engineer is acceptable to Bidder, and the Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performing and furnishing the Work for which this Bid is submitted.
- 3.09 This Bid is genuine and not made in the interest of or on behalf of any undisclosed person, firm, or corporation and is not submitted in conformity with any agreement or rules of any group, association, organization, or corporation; Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid; Bidder has not solicited

or induced any person, firm, or a corporation to refrain from bidding; and bidder has not sought by collusion to obtain for himself any advantage over any other Bidder or over Owner.

ARTICLE 4. BIDDER'S CERTIFICATION

4.01 Bidder certifies that:

- A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation;
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value likely to influence the action of a public official in the bidding process;
 - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
 - 3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and
 - 4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

ARTICLE 5. BASIS OF BID

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

BID SCHEDULE I – STREET AND DRAINAGE IMPROVEMENTS

TOTAL BID \$ _____

ARTICLE 6. TIME OF COMPLETION

- 6.01 The Contractor shall be Substantially Completed with the Work within 540 calendar days after the date when the Notice to Proceed is issued, and completed and ready for Final Payment within 30 calendar days after Substantial Completion in accordance with Article 15 of the General Conditions. The project shall be completed and ready for final payment within 570 calendar days after the date when the Contract Time commences to run.
- 6.02 Bidder accepts the provisions of the Agreement as to Liquidated Damages in the event of failure to complete the Work within the time specified in the Agreement.

ARTICLE 7. CONTRACT WARRANTY PERIOD

- 7.01 Bidder agrees that if awarded the Project, all Work associated with these Bidding Documents will be warranted as follows:
- A. Contractor will warrant all materials and workmanship for a period of not less than 12 months from the date of Substantial Completion, in accordance with Paragraph 15.08 of the General Conditions, or as may be extended by the provisions of this Contract.
 - B. Contractor will provide other guarantees on materials, equipment and/or performance as may be specified in individual sections of the Specifications. These particular guarantees shall be made in writing to the Owner and will not be less than the warranty period indicated in Paragraph 7.01.A above.

ARTICLE 8. ATTACHMENTS TO THIS BID

- 8.01 The following documents are submitted with and made a condition of this Bid:
- A. Required Bid security in the form of a certified check or a Bid Bond (see Section 00420), and in the amount of five percent (5%) of the total Bid price.

- B. List of Proposed Subcontractors – The following information gives the name, business address, and description of work for each Subcontractor that will be used in the work if the Bidder is awarded the Contract. Submittal of Proposed Subcontractors shall be in accordance with Paragraph 2.06 of the Instructions to Bidders. No Subcontractor doing work in excess of five percent (5%) of the total amount of the bid and who is not listed below shall be used without the written approval of the Owner. Additional supporting data may be attached to this page. Each page shall be sequentially numbered and headed **PROPOSED SUBCONTRACTORS** and shall be signed by the Bidder

Subcontractor Name	Address	Description of Work

- C. Contractor’s License Number (see Article 11 below), or evidence of Bidder’s ability to obtain a State Contractor’s License and a covenant by Bidder to obtain said license within the time for acceptance of Bids.

ARTICLE 9. DEFINED TERMS

9.01 The terms used in this Bid with initial capital letters have the meanings stated in the Instructions to Bidders, the General Conditions, and the Supplementary Conditions.

ARTICLE 10. COMMUNICATIONS

10.01 Communications concerning this Bid shall be made to the following address:

Blake A. Peacock, P.E.
Hawkins-Weir Engineers, Inc.
516 East Millsap Road, Suite 103
Fayetteville, AR 72703
